

Low Power FM (LPFM) should not take priority over current FM translator service. Hundreds of thousands of people listen to K-LOVE radio, which uses FM translators. I listen to K-LOVE wherever I go, across the Phoenix metropolitan area. I know that K-LOVE is appropriate and beneficial to my pre-teen-aged daughters, and I never have to worry about the content. There would be a large void to many Christians who rely on K-LOVE to hear uplifting, positive Christian music. There are many bad influences in the world, and I believe that K-LOVE provides a positive message to our kids and provides comfort in a tumultuous world. Please do not replace the K-LOVE signal with LPFM. Thank you for your time.
